

'Lap Dog' Package

R1450-00

What it includes:

- Up to a half day's worth of photography.
- 20 Jumbo prints of excellent quality.
- 1 A5 print of excellent quality.
- A personalised CD with your images, included resized versions for use over email or online, for your convenience (B&W/Sepia conversions included).
- Up to two pets' participation.
- Healthy treats for your pet(s) are provided during the shoot
- Preview display on my blog!

More Info:

This package is our entry level package, but it still includes up to two pets' participation. Please see the "Extras" page for more information on additional pets.

The shoot can take between 2-4 hours. Please see "The Process" page on our website for a more in depth look at how the shoot works.

Along with your prints, you will receive a personalised CD with your images. Included, for your convenience, are resized versions of your images for you to use online or over email.

All photos are taken originally in colour, but a few select images will be transformed with care into sepia and/or black & white. Please see the "Extras" page for further options.

'Companion Dog' Package

R1750-00

What it includes:

- Up to a full day's worth of photography.
- 20 Jumbo prints of excellent quality.
- 3 A5 prints of excellent quality.
- A personalised CD with your images, included resized versions for use over email or online, for your convenience (B&W/Sepia conversions included).
- Up to two pets' participation.
- Healthy treats for your pet(s) are provided during the shoot
- Preview display on my blog!

More Info:

This package is a great all-rounder, with extra prints and enlargements and it includes up to two pets' participation. Please see the "Extras" page for more information on additional pets.

The shoot can take between 2-6 hours. Please see "The Process" page on our website for a more in depth look at how the shoot works.

Along with your prints, you will receive a personalised CD with your images. Included, for your convenience, are resized versions of your images for you to use online or over email.

All photos are taken originally in colour, but a few select images will be transformed with care into sepia and/or black & white. Please see the "Extras" page for further options.

I can also do custom packages for smaller animals, such as birds, rats, rabbits, etc. Humans are welcome to participate!

30% non-fundable deposit required to book a session.

Please see website for more details.
